#### AROUND THE PLANT

The first year of the new century has proven to be an eventful year with the continuing good performance of Crown Royal, completion of the Case Bond expansion, and the impending sale of the "Spirits and Wine Group".

Although the expansion projects have been put on hold, many other initiatives will be carried out over the coming year such as:

- > New bagger installation
- ➤ A Hartness accumulator for line #3
- > Safety improvement programs
- > New training programs
- > Package quality improvements

Congratulations to Colleen Hobson, daughter of Joe Hobson, on being one of the recipients of a year 2000 Seagram Scholarship.

Congratulations also to Lida Mehenka, on her retirement after 41 years of service with Seagram.

The Seagram golf tournament and the Christmas Social were again huge successes. Special thanks to Tim Finn, Pam Holmes, Greta Ruston, Karen Charron, Dawn Menard and many others who contributed to these events.

Enjoy the holidays and best wishes for next year!
